Summer 2014

A message from your President

Hi JCDA sisters,
I hope you are all having a wonderful end of the year! The state officers and I have been keeping busy preparing the state retreat for everyone. I hope I get to see a lot of you there. I can't believe it's been a whole year since I was elected. It's flown by so quickly! In the last year I've been able to meet many of you. I hope I'll get to continue meeting more and more of my JCDA sisters as we make great memories and grow in Christ together. I hope everyone has a wonderful summer and that I'll get to see all of you at our state retreat. *But Jesus looked at them and said, "With man this is impossible, but with God all things are possible."* Matthew 19:26

A message from your 1st Vice President

Hi, Girls!
Doesn't it feel great to be finished with another year of school? Time has passed by so quickly! It's hard to believe our next convention is only a year away! Being a JCDA state officer had always been a dream of mine since I became a member back in elementary school. I feel that I've grown and learned so much through this organization. Being a state officer has opened so many doors and opportunities for me and has allowed me to experience different things, travel to different places, and to meet amazing new people. I'm so excited to start my senior year of high school soon! I hope everyone has a safe and amazing summer! See you at the retreat! ☺ *"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."* Jeremiah 29:11

A message from your 2nd Vice President

This past year has been an absolutely amazing experience for me, and I'm thrilled to have one more year to look forward to as a state officer. I've been blessed with four new sisters, and these girls are definitely the most friendly, caring, and hardworking girls I have ever met. Ms. Martinka and Ms. Supak are always so supportive and inspiring and I'm so grateful to have their help on this journey. I have had so many opportunities to be a role model and help people all over Texas, and I've experienced so many things that have changed my life forever. I'm definitely looking forward to another year with these amazing people, and I hope for more exciting opportunities to follow God's plan for me.

A message from your Secretary

This past year has flown by. It's hard to believe that it has already been almost a year since I was inducted into the JCDA State Court. I've had the chance to get to know my fellow JCDA state officers and state chairmen. It is a privilege to work with such a dedicated group of ladies. One of our main projects this year has been planning for the summer retreat to be held in June. We have been working very hard to make it a memorable day. I am looking forward to the year to come.

Thanks!
Emily

A message from your State Chaplain

Dear JCDA Members:

We have celebrated Easter Sunday and continue celebrating the season of Easter until Pentecost Sunday.

We are now in the month of May - a beautiful and busy month. Some of you are receiving the Sacrament of Confirmation and some of you are graduating from elementary and junior high and some from high school. What an exciting time!

As we prepare to enter the summer, let us remember to keep God in the picture. Even though we take a summer vacation from school, we never take a vacation from God and His Church.

I look forward to seeing a good number of you at the JCDA retreat.

Msgr. John Peters
