A Message from your President

Hi everyone, I hope you are enjoying your summer! I am your newly elected President of the Texas JCDA court. I would like to take a minuet to introduce myself. I live in a small town named Crosby. I have been a member of my local JCDA court for 7 years now. Outside of church is where you'll find me on the volleyball court. I have played for 5 years. I do play club volleyball and also at my school. I am the youngest of 4 kids in my family. My sisters are attending Sam Houston and Stephen F. Austin in the fall. My brother is in the seminary at the University of Dallas. In my free time I enjoy spending time with my friends. I don't know what I would do without their love and support. I love to goof around and have fun. Although college isn't very far away, I am hoping to study animal science. I haven't decided if I want to be a veterinarian or not but God has a plan for me.

Thank you, your Loving President,
Alison Muldrow

A Message from Your 2nd Vice President

Hi, my name is Emma Greene and I am your new State Second Vice President. At school, I play the clarinet and bass clarinet in the band at La Grange High School. At church, I am active in our local JCDA court, our high school youth group, Sacred Heart Organization of Catholic Kids (SHOCK), and our church's youth choir. I am the Secretary in my local JCDA court and have been the Second Vice President. I love being a leader in my court, sharing our faith with the younger girls. I can't wait to share our three-fold mission of message, service, and community with other girls all over the state.

JCDA State 2nd Vice President, Emma Greene

A Message from your Secretary

My name is Elyssa Wagner. I am 16 years old and I am a sophomore at St. Paul High School in Shiner. I have been part of JCDA for many years and I am the newly elected JCDA State Secretary. I am also the JCDA Secretary for my local court, Court St. Paul #1604. I am actively involved in many activities in my school. These include band, cheerleading, cross country, volleyball, basketball, and track. Outside of school, I enjoy playing the piano and being part of the music liturgy at my church where I sing and play the organ. In the summer, I work with young girls at a summer camp. I encourage all JCDA members to be active in their local courts by attending meetings and participating in projects. JCDA is a great way to serve your community, your church, and the Lord.

JCDA State Secretary, Elyssa Wagner

A Message from your Reporter

Hello, my name is Kristian Castro. I am your new JCDA State Court Reporter and I'm thrilled and honored to serve you. I love to be creative and organized and hope to use these skills as I keep track of the new JCDA scrapbook for the next two years by incorporating more than just the state court, but by adding parish courts. I hope to make this term great by doing my best for you. I love that JCDA is spread through all 50 states and when I look at a court I see a family. Over the next two years I am hopeful to see more girls join and thrive within their JCDA court and I would love to see more girls make connections across courts. It's great to see girls coming together from across the state and make new friends. I challenge more young ladies to become leaders within their court and at the state court level. We are all called to serve Christ in many ways...and JCDA is one way.

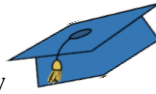

JCDA State Reporter, Kristian Castro
