### MESSAGE FROM THE STATE REGENT

My Dear Sisters in Christ,

June has arrived, and I know you are all looking forward to a long, restful summer—and so am I. I wish that summers were as long and as peaceful as the ones I remember from childhood. Summer days seemed endless then, and the three months of summer vacation stretched out forever. Unfortunately, today’s reality falls far short of yesterday’s memory. Summer passes quickly; and before we know it, it will be September.

Use this summer wisely. Learn as much as you can, enjoy your family; celebrate the 4<sup>th</sup> of July with those you love, and spend time with your heavenly Father. Allow Him to renew and refresh you. Sometimes the little seeds of joy within us become frozen during the hectic winter months that are so filled with necessary activities and duties, and our service becomes “stuff we have to do.” Let the Lord tend those dormant seeds so that the joy of service blooms in you again. Remember that “God loves a cheerful giver,” and that applies to our service maybe even more than it does to our money.

I am so excited to report to you that our membership figures for the period ending on March 31, 2006, are up! Our membership is now at 15,712. It is a small gain, but it is gain nonetheless. Growth is so exciting because it means that more women are responding to the Lord’s call to service. It means that there are more of us to do His work and to minister to a hurting world. Our hands are the instruments God uses to show the world His love, and now there are more hands available in Texas to comfort those in sorrow, to feed those who are hungry, to defend those who are weak, and to lift up those who are discouraged. I thank all of you who have invited others to join our ranks and who have spread the word about CDA. Thank you for being proud of your organization and for helping others to see the value of a life dedicated to service.

CDA is in the middle of the “changing of the guard.” I salute all of you who have given and will give so generously of your time and talent in the service of your courts. It is your dedication and your willingness to undertake the challenge of leadership that will ensure that CDA remains a vibrant, relevant organization. Thank you for your faithfulness.

As officers’ training gets underway in June, remember that all are invited—not just elected officers. Come and see what being an officer is all about. I look forward to visiting with many of you this summer as you attend officers’ training and prepare yourselves for the new term. Have a wonderful, peaceful summer, and I wish you joy.

# A MESSAGE FROM THE STATE CLERGY CONSULTANT

It's time to load up the court limousine and head to Minnesota for the National CDA biennial Convention. Sacred Scriptures reminds us that there is a time for everything. At our conventions, there are "times for working, times for praying, times for eating, and times for laughing." We share with CDA members from across the Americas and realize that we are not alone in working toward our common goals.

CDA conventions are centered on traits I think every Christian should portray. We worship together, share ideas about how we can best serve the Church and our local communities, and join in social activities. We should strive to be a model Christian community: One that **PRAYS TOGETHER, WORKS TOGETHER, AND PLAYS TOGETHER.**

CDA in Texas is alive and well. The State officers have been on the run trying to get to as many functions as possible. I attended several district meetings and, as usual, was impressed with the enthusiasm and optimistic attitudes of the members. The court in my parish hosted a multi-district retreat on the Saturday before Palm Sunday. The turnout was tremendous (around 140). Our State Regent, Olga Samaniego, served as Retreat Master and gave a wonderful spiritual presentation. The session closed with a living Rosary on the church lawn and then everyone gathered at an outdoor chapel for the blessing of the palms and a procession into church for the Palm Sunday liturgy. This is something we need to do more often.

Court elections should be concluded around the state. Congratulations to all those elected to lead CDA for the next term. I also want to congratulate all the recipients of awards throughout the state.

Have a restful summer! Hope to see many of you in Minnesota.

Yours in Christ,

Texas State Clergy Consultant

## MESSAGES FROM YOUR TEXAS STATE OFFICERS

### Court Development/Membership

*Carolyn Bachmann- First Vice State Regent*

Summer is here and the time to sit back and relax a little. I do want to thank all the courts that had some form of membership drive for the "March Membership Madness." As you relax for the summer, begin thinking about some kind of membership drive for the fall. Do not forget about the Membership Contest the State is sponsoring for the total number of members brought in from April 1, 2005 to March 31, 2007. All of the courts can use money prizes.

Have you been listening and looking for new courts? There are many parishes and cities out there that do not have a CDA court. There are many women who have not had the opportunity to share what the members of the Catholic Daughters share with one another. We share a sisterhood of love, unity, and being called by God to pray and work with all. Let us not wait for the priests and women of the parishes to find us. Let us go out and invite them to join us. If you get any leads on someone interested in establishing a court anywhere in Texas, please contact me and I will check into it. Do not forget about the new Campus Courts we are instituting for the women going to college. You can reach me at [carolyn1349@msn.com](mailto:carolyn1349@msn.com) or 940-541-2569.

### Officer Training/Leadership Workshops

*Sheila Martinka, Second Vice State Regent*

Now that elections are over, and the new officers are ready to take the reins, District Deputies, please remember to schedule your officer training with me. I have 75% or more that have already scheduled, and many of you have been great enough to have multi-district training, which saves a lot of "wear and tear" at least on me! I greatly appreciate your efforts to work together and show the unity of CDA!

As you know, times change, and CDA certainly does not want to be left behind. As we travel around this summer presenting the officer workshop, some of you who have been to the workshop before will notice a new look. We've added some new topics and updated our material to ensure that you have the latest information available.

I know it is difficult to adapt to change; however, change is necessary to continue to move forward and to be able to meet new challenges. The first officers' training was presented on June 3, 2006, in San Angelo, (a big thanks to the ladies for braving the new frontier with us) and the workshop was well received!

District Deputies, I will need your assistance in scheduling and organizing the time and place of the meeting and bringing the event together. Where some of the larger gatherings are taking place, I will need your help in assisting with some of the presentations. I will be providing you with materials because it is important that the same information be presented

to all courts in Texas. We want officers to feel fully prepared and ready to fulfill their jobs in September. I appreciate all of the effort and enthusiasm that you give to CDA, and I look forward to working with all of you and to meeting the exciting challenges that lie ahead of us!

### Dues and Assessments

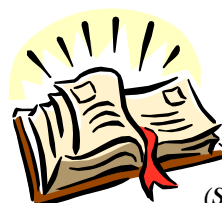

*Carolyn Malik, State Secretary*

By now, you should be in receipt of your national dues bill. Statements for your state dues, theological and JCDA assessments should be mailed about May 20, 2006. National and State dues are billed semi-annually – two (2) times a year. However, assessments for the theological and JCDA funds are **ONLY** billed annually – one time a year. These bills should be paid at once. State and national dues bills do not need to be voted on, so please remit upon receipt of the bills. Even though your court does not meet during the summer months, the bills need to be paid. This will avoid much confusion in the future months.

Concerning the JCDA Assessment – The majority of the courts in the State of Texas do not sponsor a JCDA court on the local level. However, each court in the state is assessed a "JCDA Assessment." This money is used for the overall state program to support the JCDA program in the State of Texas. So, even if you do not sponsor a court on the local level, you are assessed \$.10 per member for the State program and need to pay this assessment. If you have a question concerning this, please give me a call or e-mail me.

Please **DO NOT CHANGE THE NUMBER OF MEMBERS** on your statements. You are billed according to the number of members recorded with National. Be sure to mail in your deletion and addition membership forms to the National office immediately upon the change of membership in your court. Request an updated membership list from National through e-mail, telephone or mail and reconcile your membership lists annually.

You may issue only one check for your dues and assessments; however, it would be much appreciated if you would indicate what items your check is paying and be sure to include the number of your court on the check. Checks are to be made payable to CDA State of Texas. Two signatures are required on your checks. Please mail your checks to: Carolyn Malik, State Secretary, P. O. Box 243, Shiner, Texas 77984.

*Jesus said: I have come a light into the world that whoever believes in Me may not remain in the darkness.*

*(St. John 12:46)*

## Dollars and Cents

*Peggy Rosales, State Treasurer*

Many thanks to the officers who have served for the last two years! Congratulations to the newly elected officers! I look forward to meeting the new officers at our many Officer Training Workshops throughout the state.

### Quarterly tips:

- Changing banks – make sure Court name and number is printed on the checks.
- Reordering checks – again make sure Court name and number is printed on the checks.
- Always make notation in memo area of check what check is for; i.e., Dues statement dates, donation for what charity.

During some of the District Meetings a prayer was shared and many of you wanted a copy – so here it is!

Oh, God, give us strength today for anything that is hard to face or difficult to do;  
 Give us enthusiasm to share with others the tasks that we shall do together;  
 Give us integrity and unselfishness, that the reward may be fairly shared;  
 Give us humility when things go exceptionally well and patience when results are long in coming.  
 If we are subject to criticism, help me to take it well;  
 Show us where we can do better;  
 Show us where another can develop strengths if she could have help from me;  
 Show us where a little humor would help when spirits are ruffled and tired. So let us serve you and those that depend on us.

-Rita Snowden-

May you all have a restful, comforting, safe summer! “Now let your unfailing love comfort me, just as you promised me, your servant.”...Psalm 119:76

## MESSAGES FROM YOUR STATE CHAIRMEN

**A great big THANK YOU to all Courts** who participated in the Read Across America event and an even bigger **THANK YOU** to the Courts that sent in their report. It was very encouraging to see that the reports revealed that 274 members participated, over 4,100 children were read to and over 1,600 new and gently used books were donated. It however, was somewhat discouraging to see that only thirty-two (32) Courts sent in a report. Hopefully many, many more Courts participated but did not send in a report. Every Court was to send in a report even if they did not participate. Hopefully, next year we will have more Courts participating and 100% of the Courts reporting. The reports revealed that although some Courts were not able to actually set up times and read to children, they donated money for books, asked members to donate new or gently used books or held book drives and donated the books to schools or libraries. Maybe more Courts can find innovative ways to participate in this event next year.

**The state convention will be here before you know it!** To help make this huge event successful, we need to consider helping with the expenses by donating a prize to the state raffle! Tickets will need to be printed & distributed in November 2006, so it's not too early. Ask your court to be creative with this project. We would love to hold an "Old Fashioned" raffle, so we're looking for homemade items such as quilts, afghans, ceramics, etc. Use your imagination! Any cash donations will be used toward purchasing handcrafted items (Maybe a quilt from Tutwiler). Also, if your court or perhaps parish has recently published a cookbook, we thought it might be fun to basket all these and make one big prize for the raffle. Please consider mailing me your publication! Send these & other raffle donations to:

**Congratulations to the newly elected court officers!** While some of you have been re-elected to the same office you held this past term, others are taking on a new job. Either way, enjoy being the leaders of your court. I hope it's a wonderful experience for you. I've heard that lots of workshops are being planned for officers' training. It is so important for new and returning officers to attend the workshops. Officer guidelines and CDA by-laws change periodically and the training workshops will keep you updated. Lots of courts take a break in the summer from business meetings so the members can rest and relax. I hope you have a great summer, whatever you plan to do. If you're going to the national convention, I hope you have a good time. I know you'll be Texas proud! God bless!

State Financial Review Chairman

## Publicizing Court Events

It is important to let the public know WHO the Catholic Daughters of the Americas are; and most importantly, WHAT the Catholic Daughters DO. It is important to let the world know that we are a group of hard-working Christian women making a difference with our spiritual, charitable, and educational projects through the "Circle of Love" program. We want to be noticed. We accomplish a lot as individual courts and as a State court. Hopefully, each regent will appoint a public relations chairman and plan a yearly publicity program.

When planning a spectacular activity, you may want to contact your newspaper and ask someone to attend and take pictures and discuss the event with you. That contact person, hopefully, will write the article. If no one from the paper can attend, have the publicity chairman or an appointed member write an article about the upcoming event and send it to the paper. You don't have to wait for 'big' events to publicize, for all activities warrant some attention in the media. The newspapers like to receive news via email.

To submit an article to the national magazine **Share**, send it to:

Share Magazine	Deadlines: Spring Issue	January 4
Attn: Lorraine McMahon	Summer Issue	April 14
10 West 71 <sup>st</sup> Street	Fall Issue	June 30
New York, New York 10023	Winter Issue	September 16

All articles must be cleanly typed, double spaced on 8 ½ X 11 sheets. Include your name and address and phone number. Photos must be clear with complete identification typed and attached and are unable to be returned. Keep up your good work and let everyone know of it.

Henriette Jalowy  
State Public Relations Chairman

## 2007 Texas State Convention

The courts in the Dallas area are gearing up for a great state convention, and we are really looking forward to welcoming you to the beautiful Fairmont Hotel! All you fun-loving Texans need to start shopping for your Hawaiian apparel to get ready for the "Fun Night Luau." You better start practicing your Hula dance and Limbo rock—you've seen what great dancers we have in Texas, and you'll want to get out on the floor, too.

From April 26<sup>th</sup> to April 29<sup>th</sup>, the **in** place to be is Dallas, and we **in**vite you to join us. Come and participate in **in**formative workshops, enjoy **in**credible presentations, and be blessed by **in**spiring liturgies. Come and experience true Dallas hospitality!

Just a quick reminder: The 2007 Convention Committee is holding the next local meeting at St. Monica's Family Life Center, 9933 Midway Road, Dallas, TX 75220 at 9:30, on June 24, 2006. All local members are welcome to attend.

**CIRCLE OF LOVE CONTEST**

I want to thank everyone who responded in the Circle of Love contest. We had close to 50% reporting in the Legislation category and that is wonderful. It is great to see what is being done throughout Texas in the legislative arena. Great job, ladies.

**PORNOGRAPHY AND THE INTERNET**

The latest technological advance is the use of I-pod's with pornographic video programming for instant gratification. We MUST take a strong stand against all porn in our communities, especially through a medium that again is so popular among our children. We need to write our legislators and tell them we want strong laws and enforcement against pornographic violators. We also need to contact our community officials imploring them to take a strong stand against pornography and that we expect them to vigorously prosecute violations of porn laws.

**STEM CELL RESEARCH**

Action needs to be taken, if it hasn't already been done, to contact legislators asking them to oppose **H. B. 810/S.471** which would provide federal funding for the use of human embryonic stem cells for research. This would include the destruction of human embryonic stem cells. Pope Benedict's message on human embryos, setting forth that an embryo is a full and complete human being from it's beginning, can be viewed at [www.lifesitenews.com](http://www.lifesitenews.com) by going to January 3, 2006.

**IMMIGRATION REFORM**

The State Board and I continue to watch the immigration reform legislation and its possible effects on any of our State projects. We continue to stay in contact with the Texas Catholic Conference of Bishops for additional updates. There have been questions from many members regarding this legislation and its effects. Legislative alerts have been sent out for action and I will continue to send out such alerts as we learn information. When an alert is sent out, it is imperative that the information be passed along to membership for action immediately. If you have questions in this regard contact me or the State Regent.

**FEDERAL MARRIAGE AMENDMENT**

Proposed marriage amendment legislation will be back on the agenda this summer. We need to let our legislators know that we support an amendment that upholds the sanctity of marriage between a man and a woman.

**PATRIOTISM**

The fourth of July is coming up and a time when we should all share in and show the pride we feel to be Americans and Texans. Courts are encouraged to participate in activities honoring our country, our state and our service men and women.

## Missions of Mercy.....Lillian Hansen

**Some stories are just too good not to be shared. The Cameron Park Colonia has many stories and these are just two of them:**

**Rose Patek, Regent of Court Our Lady of Angels #2505, Seguin, wrote:** When we heard about the hurricane damage done to the area near Brownsville, our court took up the cause and asked our members and the members of our parish community to donate what they could, we would take it down personally. The members and the parish were more than generous. We had mountains of donated items. Two members took on the project of getting the supplies sorted and boxed, ready for delivery. Arrangements were made. Eight members decided to travel down and visit for the first time the Colonias. A mini-Winnebago was rented to take all of the items and all of the people. Plans were to stay overnight in order to tour the Colonias, make the delivery, attend Mass and pray with the people. When the Winnebago was loaded all of the storage area was taken up, plus the entire back bedroom, kitchen, shower, and closets.

We were welcomed with open arms and disbelief of all the schoolbooks and supplies we delivered. We were fortunate to be able to deliver nearly new school textbooks that the parochial school had in storage and needed to dispose of. There were cases of these books, all elementary grades, literature books, science books and math books.

We visited with Father Mike Seifert, toured some of the Colonia and visited a family that had escaped the confines of the Colonias, all that evening. Next morning, we regrouped, attended Mass, toured another part of the Colonias and began our trip back home.

Making the trip: 8 members plus 2 granddaughters. Benefits: Fellowship and getting to know our fellow CDA members, providing quality books for the education of young people and providing much needed supplies to those who had lost everything.

Several months later, we contacted Alicia, the social director at San Felipe de Jesus Church, inquiring about present needs. This is what Alicia wrote: "We have used every last school supply you all have sent. This month the children are still turning in last minute reports and Science Projects.

Today one of the regular kids, who come to our After School Tutorial, went into the school supply closet and came out just beaming. She yelled out, "Alicia! I can make my mother a Mother's Day Card after all! I found a package of construction paper!" I had told them last week they had to start bringing in their own supplies because I didn't have any more left from all the supplies you all gave us.

This supply closet is like the miracle of the loaves and fishes. It seems as if the supplies multiply by themselves! I assure you I haven't bought a single thing since you all brought all the new supplies at the beginning of the year. I made *school supply packs* with everything they needed from the School List, and what I had left, I put in the "magic closet".

They have to go through a *formal interrogation* before they enter, and only then can they take what they need. They tell these wonderful, incredible stories about their assignments so that I will give them "the goods."

Later I see them at their table proudly working on their assignment knowing their work will look just as good as those of the kids from the Country Club subdivision, which, by the way is just on the other side of Paredes Line Road from Cameron Park!

Thank you for all your gifts and for the love that accompanies them!"

In May, members of Court Our Lady Queen of Peace #1374, El Campo and Court Holy Rosary #1476, Rosenberg, loaded up household goods, furniture and toiletries and headed for Casa Juan Diego Mission in Houston. The most welcome of the goods delivered were the toiletries bags, which would be useful at any Homeless shelter or Battered Women's shelter wherever located in your area. Each drawstring bag (or large ziplock bag) contained the following:

Toothpaste, toothbrush, shaving cream, razors, shampoo, comb, soap, deodorant, washcloth, nail clippers.

For women: Underwear, wet wipes

## **HOLY CARDS**

One can give them tucked inside a greeting card, use them as bookmarks, and give them to family and friends as a special little gift. Most holy cards have pictures of saints and prayers on them. Some cards are the memorial cards one gets at a funeral with a holy picture on one side and the name and dates of birth and death on the other.

A wood block print of Saint Christopher, 1423, is believed to be the earliest holy card. Later in that century, hand cut and die cut lace holy cards were popular. They were called devotesdentelles in French and Andachtsbilden in German. A German, Aloys Senefelder developed lithography. In the 1840's, companies in France, near the Church of St. Sulpice, produced the cards in a style known as St. Sulpice Art (soft and feminine-looking images).

Many of these cards were sold in America. Soon other companies such as the Swiss manufacturer, Carl Benziger and Sons (later known as the Benzier Brothers) opened branches in the United States. In today's market the most commonly known holy cards are produced by the Bonella Brothers in Milan, Italy.

### ***“TAKE TIME, TAKE THREE”***

*Anne Nelson, Spiritual Enhancement Chairman*

I would like to offer as a program for the Catholic Daughters, a new look at an old idea. During the Cold War, the Pope asked us to pray three Hail Marys a day for the conversion of Russia and the fall of Communism. It eventually happened and many contribute it to the power of prayer. It took time and effort but prayer endured. No politician can explain the rapid fall of Communism. Many have agreed that it was a power greater than they that led the leaders of the world to have a change of heart. It is time to do it again. I am asking the Courts to consider: ***“TAKE TIME, TAKE THREE”***.

I propose that you ask your members to pray three Hail Marys each day for the fall of terrorism and terrorist nations. Local courts could make this a part of their meeting. Reminders and notices could be placed in Church bulletins, diocesan papers, and school newsletters noting the sponsorship of this program by the Catholic Daughters of the Americas.

As doers and hearers of the Word, we need to step out more and take a more visible stance on issues. Prayer doesn’t hurt, it costs nothing but your time and the rewards are beyond measure.

**God Bless, Be At Peace, Pray For Peace, Work For Peace**

***“TAKE TIME, TAKE THREE”***

## Quarterly Prayer Intentions

The following are the State's prayer intentions for the new quarter. Please share them with your courts. The intentions can be remembered in many ways such as in the opening or closing prayers of your meetings, at corporate communions, by your prayer ministry, and hopefully by each individual member in her daily prayers. Jesus tells us in Matthew 21:22, "Whatever you ask for in prayer with faith, you will receive." Let us place our trust in Him as we lift up the following intentions:

- That rulers and legislators will be inspired by the beatitudes to serve the poor and the voiceless.
- That the Spirit of the Lord and the warmth of a peaceful summer will renew and refresh us and prepare us for productive and joyful new term.

## CDA Logo

We still have close to 75 courts that have not sent in a request for permission to use the CDA registered logo on newsletters, stationery, and printed materials. Each court's request must be maintained in the State's files. Please submit your request to the State Regent as soon as possible.

## Officers

On behalf of the State Board, I would like to thank all of the outgoing 2004-2006 local court officers. For two years or more you have served your courts and CDA well. You have inspired your members to fulfill court, state, and national goals; and you have been instrumental in guiding your members to participate in our National Program, The Circle of Love. Additionally, through your leadership, Texas CDA members have given of their time, energy, talent, and money in record numbers to local, state, and national projects. The generosity of our membership is overwhelming, and much is due to the inspiration and dedication of our local court leadership. Thank you for your faithfulness and service to CDA. CDA works in Texas because of you. Please remember to pass on your robes and all the books and materials pertaining to your office to the new officer.

I would also like to congratulate and welcome aboard all newly installed officers. Thank you for agreeing to accept the challenge of leading your courts for the next term. It is a job that requires time and commitment, but I know you will find it to be rewarding and fulfilling. I look forward to working with you. Please remember to forward your officers list to me as soon as possible. May God bless and protect you and your families as you seek to serve Him.

*Olga Samaniego, State Regent*

## State Newsletter

The last State Newsletter was mailed on March 2, and many of you did not receive it until April. Bulk mailing is just not working out. We are striving to get information to the courts in a much more timely fashion. In the future, we will mail hard copies of the newsletter by first class mail to regents and to those who have paid for subscriptions. As many others as possible will receive emailed copies. In this age of rising costs and improving technology, we have to take every opportunity to utilize the tools that are available. Please include email addresses on your officers' list for everyone possible including your chaplain, and keep the State Regent and the newsletter editor informed if your email address changes. A change of address form is included at the end of this newsletter. This is something new, and it will take a while to type all the email addresses into our system. Thank you for your patience and support.

### **FOR THE GOOD OF THE ORDER.....**

Olivia McDonald hosts a CDA Crafters get-together at her home twice monthly and members of Court of Lady Queen of Peace #1374, El Campo, are invited to drop by for coffee, conversation and craft fun.

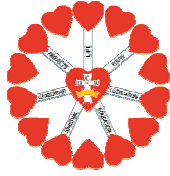

Olivia (standing) and Daisy Zella (sitting) recently organized and made over 100 red, white, and blue Texas-shaped "badges" which will be given to the Texas Delegation to be worn at the National Convention in Minnesota this July.

The Crafters make at least one quilt each year for the parish raffle as well as other craft items for CDA fundraiser functions.

## Texas Delegation

Since elections will be held on Tuesday, a short, informal Texas Caucus will be held on Monday, July 17, when the convention recesses for the day. The place of the caucus will be determined upon arrival at the convention, and all delegates will be informed of the site and are invited to attend. All courts that have sent in a delegate list will receive an invitation and details concerning the Texas State Dinner to be held on July 19, 2006. Sheila Martinka, Second Vice State Regent, and Peggy Rosales, State Treasurer, are chairing the dinner. They are researching sites now, and we hope you will join us—it will be a terrific evening. If you have any suggestions about the State Dinner, or if you would like to help organize the event, please call either Sheila or Peggy. The convention promises to be a wonderful learning experience and an opportunity to meet and get to know "Women of Faith and Vision" from around the Americas. I look forward to seeing you there!

*Olga Samaniego, State Regent*

# Circle of Love

Thank you to all the courts that turned in Circle of Love forms and that participated in the Education and Newsletter Contests, Memorial Scholarship Program, and Read Across America. The projects and activities in which courts are participating are incredible. The creativity of local court members never ceases to inspire and amaze me. Thank you for sharing what you are doing, and congratulations to all the Circle of Love and Contest winners. A complete list of winners is contained in this newsletter. Thank you as well, to all the chairmen and judges who worked so hard on compiling and scoring entries and on mailing reports to the National Office. This year was especially challenging because all were working with a new form for reporting. Thank you all and congratulations on a job well done!

*Olga Samaniego, State Regent*

**C D** Angels can be anyone and anyone can nominate an angel. Angels are women who are doing their regular jobs in an extraordinary manner, women who have gone “above and beyond” and have given special service to a court, or women who have been quietly reliable and trustworthy whom you would like to recognize for their faithfulness. Be creative, and let’s recognize the **Caring, Devoted, Absolutely** terrific women of Texas. Send your nominees to State Regent, Olga Samaniego, at: [olgasamaniego@hotmail.com](mailto:olgasamaniego@hotmail.com) or 915-593-6653.

**Guillermina Martinez** from **St. Joan of Arc # 1224** in Del Rio came hesitantly to the office of regent, and has come a long way. She has learned a lot and has inspired and motivated us. If she makes a mistake, she is humble enough to admit it. She gives all of us a spark of energy that we all need at times. She gives her best to all that she does for our court.

**Anne Marek** is a real **C D** Angel. She is the Vice Regent of **Court St. Joseph Protector of Mary #2475**, Inez, Texas. She taught CCD and now is a leader in Generations of Faith. She applied for and received a \$3000.00 religious grant from Formosa Plastics in our court's name. She secured Raddix Group, a music ministry by Erik Genius, and a one-man passion play by Doug Berry for our parish. Anne gives a spiritual reflection at our C.D.A. meetings. She serves with the ACTS Retreat. Anne is an engineer, but chooses to be a stay at home mom for her 3 sons ages 7, 4 and 2. All our members go the extra mile, but I think Anne deserves special recognition.

**Betty Floyd, Regena Hamilton, Mary Louise Krickenberger and Dora Meyer** have faithfully served **Court Queen of Heaven #1844** as hostesses. They prepare the gathering room, serve refreshments, and clean after each monthly meeting. These hostesses go out of their way to coordinate and decorate for our Christmas and Court's Birthday parties. Moreover, they organize and stock the Court's supply closet. These ladies are truly angels. God's love shines through their devoted service and welcoming smiles.

**Ms Alicia Salinas, Court St Jude Thaddeus # 1770** is a **C D** Angel. She has been my right hand, my left hand, and my guardian angel since our regent, Ms. Dee Carreno left us. I did not feel ready to lead such an excellent organization of Christian women. Alicia Salinas deserves all the recognition.

**Dianna Harvill of Court St. Gerard #1938 Beaumont** is a **C D** Angel. She converted to Catholicism in 1961 and serves as a Eucharistic Minister and Lector for the Diocese of Beaumont. Dianna serves as a Homebound Minister for the sick/elderly, an RCIA Coordinator, and as a member of the Parish Advisory Council. She serves on the Arts & Environment Committee, is the Co-editor for Court St. Gerard's CDA, is a substitute teacher for Children's Religious Education, the Generations of Faith Leadership Chairman, a member of St. Pius Ladies Society, and a facilitator for RENEW 2004. Dianna loves to sew and in her own personal ministry makes a lap-sized prayer blanket made of colorful cloth, praying for the individual who is ill or dying and prays during its construction. The blanket has a label affixed with a personal message of encouragement, the person's first name and the quote from Philippians 4:13 - "I can do all things through Him."

We have two angels in **Court St. Faustina # 2478**. They have contributed so much to spirit in our court. Actually they are our social chairman and her helper **Juanita Hoelscher** and **Christine Bukowsky**. What one does not think of the other does. Besides arranging for delicious snacks for our meetings, they decorate for the occasion as well as dress in costume when the theme dictates. On occasion they sing a song, cut up and generally bring spirit to our meetings. If something comes up on the spur of the moment as sometimes does happen, they somehow manage to “get it done.” They are truly angels in our court, and we are blessed to have them as members.

**Randa Gonzales** from **St. Monica, Patroness of Women #2477** works hard in helping the women at the women shelter that is run by the Missionaries on Charities. She also works tirelessly for the nursing home ministry and countless other CDA activities. Randa is caring and has a cheerful attitude for whatever the task is. She is a true example of someone who is living her faith.

It was the summer of 2004, when a **C D** Angel approached me and totally sold me on an idea. A proposition that couldn't have come at a more appropriate time in my life, as it had only been 5 months since the death of my husband. **Mrs. Janie Lopez** had a “vision” for the women of Our Lady of Perpetual Help Parish in Corpus Christi, Texas. Janie, a 13 year CDA veteran at the time, was excited that Msgr. Michael Heras, Pastor of OLPH, had given his blessing and approval for the establishment of a new CDA court. On September 24, 2004, **Our Lady of the Body of Christ CDA Court #2543** from OLPH Parish, Corpus Christi was established with 50 Charter members. As a member of OLPH, Janie was instrumental in organizing the Traveling Chalice for Vocations, as well as, First Friday Holy Hour to the Sacred Heart of Jesus. She currently serves as our CDA Court's Chairperson for both the Nominating Committee and the Telephone Committee. Janie brings energetic enthusiasm and great ideas to our Court and is always ready and willing to serve when called upon. Since her retirement in January 2006, Janie has been working and offering her time and skills in helping with preparations for the fall 2006 opening of John Paul II High School in Corpus Christi. The “General” as she is fondly referred to by her friends, keeps us all in line with CDA rules and protocol. Mrs. Janie Lopez is a blessing and a true, faithful **C D** Angel.

The Court is pleased to nominate **JUANITA TIJERINA** for an angel award. Juanita has been a Catholic Daughter since 1979 and has been a loyal and active member of **Court Prince of the Apostles #1787** since joining. She has continually held an office in the court. She was Regent (1991-1993) and for many years she was either the Treasurer or Financial Secretary. During this latter period of membership she has remained active even though she had been waiting for a kidney transplant. Juanita has become a valued assistant to DD# 40 during Financial Reviews for 4 years. If the Treasurer or Financial Secretary from other courts were having a problem she helped them. She says that it is so very important to share your knowledge, especially with new members, and not keep it to yourself. At present she is the court's Sunshine Girl sending cards to not only all the members but also to the priests at Padua Place. In point of fact, the Court considers Juanita to be more of an Archangel than Angel. Court Prince of the Apostles would not be the same without her.

**Note:** If you are not the current regent of your court and you received this newsletter, that means we do not have your new officers' list. Please send it to the State Regent as soon as possible, and please pass the newsletter on to the new regent. Updating rosters for mailing lists is a massive job. Thank you for your help and support.

**NOVENA TO THE INFANT OF PRAGUE**

*(Repeat this prayer for nine consecutive days,  
or each hour for nine consecutive hours)*

Oh, Jesus, You said, "Ask and you shall receive, seek and you shall find, knock and it will be opened to you." Through the intercession of Mary, Thy Most Holy Mother, I knock, I seek, and I ask that my prayer be answered. *(Mention your intention here.)*

(Our Father, Hail Mary, Glory Be)

Oh, Jesus, You said, "All that you ask of the Father in My Name, He will grant you." Through the intercession of Mary, Thy Most Holy Mother, I humbly and urgently ask Thy Father in Thy Name, that my prayer be answered. *(Mention your intention here.)*

(Our Father, Hail Mary, Glory Be)

Oh, Jesus, You said, "Heaven and earth shall pass away, but My Word shall not pass." Through the intercession of Mary, Thy Most Holy Mother, I feel confident that my prayer will be granted. *(Mention your intention here.)*

(Our Father, Hail Mary, Glory Be)

**Special Project:** It is the middle of summer and the last thing on our minds is Christmas; but, before we know it, the Christmas Season will be upon us. Believe it or not, now is the time when department stores and organizations are planning their advertising and deciding on Christmas activities. Were you unhappy with the fact that, in many ways, Jesus was left out of Christmas last year? Were you saddened by greetings of "Happy Holidays" instead of "Merry Christmas?" Let's put our heads together and come up with a positive, joyful campaign to spread the word that "Jesus is the Reason for the Season." Talk and pray with your court members, and send in your ideas for the September State Newsletter. We don't all have to do the same thing, but let's all do something. Let's "make a joyful noise unto the Lord" this Christmas!
