Now that school is winding down and summer is just around the corner I hope that all of you are cherishing your last few weeks of school! Looking back now I cannot believe how fast time has flown by. Sarah, Valerie, and myself are graduating which is very exciting, and also a reason why I am calling each of you to enjoy the stage your at right now because if you blink it will be over before you know it. It has been such an honor to serve as your State President for the past two years. I am so inspired by all of you girls because I know that you all are making a tremendous difference in the world right now and will in the future. I am so thankful that in some way I can give back to you for all that you do to, ensure that when convention comes we get to celebrate you, and your courts accomplishments. I hope to see all your glowing faces at the State Convention "JCDA Stars of Peace" we have so many surprises in store for you girls so please make every effort to come even if it's just a few members from your court! If you are for sure coming to the convention don't be afraid to come say hi to me and the other state officers we'd love to get to know you! May God bless you and have a relaxing and rejuvenating summer! "We ourselves feel that what we are doing is just a drop in the ocean. But the ocean would be less because of that missing drop" - B.M.T Blessed Mother Theresa

A MESSAGE FROM YOUR 1ST VICE

Hey Girls! I just want to say congratulations to all of those who had first communion, confirmation and all of those who are graduating this year and good luck to you! I'm so excited for the convention in June! I've really enjoyed my time as a state officer. I can't believe that time has flown by so fast. It seems like it was just yesterday that I was getting installed as a state officer at my first convention. I have had a wonderful time as a state officer and I enjoyed going to all of the different churches where I helped install so many new courts. I have also enjoyed seeing all that all of you have done to serve the community through JCDA. With seeing all of these activities and being a part of so many installations, I know that the next 5 lucky girls who are elected to be state officers for the 2011-2013 term are going to be wonderful. I hope that all of you will stop by at the convention and say hi to all of us state officers and let us get to know you. As each day comes and goes, I get more and more excited for the convention. I know that it's going to be a blast. Whether it's your 1st convention or your 5th, I hope that you have a wonderful time! Hey girls it's Valerie your State Secretary. I hope all of you have had an amazing school year. It's weird how fast time can fly when you're having fun. This is my last year of high school and I'm so sad to see it past by so fast even though well all get tired of school sometimes. Next year will be a whole different story for Maya, Sarah, and I since we all will be attending college. Well I'm expecting to see all of you at our State Convention in June we have been planning and planning for this convention and I just know all of you will have so much fun. I am excited to see everyone again to make our life long memories.

A MESSAGE FROM YOUR STATE CHAIRMAN

Wow, what an awesome CDA Convention, it was so busy and full of good information, the State JCDA officers were impressed with everything and spoke so highly of everyone who greeted and treated them with kindness. I want to thank everyone as well, these past two years these girls have become like my daughters and I am so proud of them. The JCDA Mass was very well attended; we thank Becky Brown for a job well done! We are in high gear getting ready for our State Convention, keep us in prayers that all goes smoothly! I want to thank all the JCDA chairmen for all your hard work and sweat that you put into our youth; we wouldn't be JCDA without your hands. Hope to see you'll at the convention, come and chill out and relive our teenage years as children of Peace! We are little pencils doing God's work... A MESSAGE FROM YOUR STATE CHAPLAIN

Dear JCDA Members:

To those who are graduating I extend my congratulations and prayers. Also, congratulations to those who have received the Sacrament of Confirmation recently.

Our JCDA state officers did a fine job representing you at the Catholic Daughters Convention in Houston. We are now preparing for a wonderful and exciting JCDA Convention in Austin. Hopefully all of our JCDA Courts will be represented. This is a great learning experience and a great way to meet other JCDA members from throughout the State of Texas.

I hope to see all of you in Austin.

Dear God School Is out!

I can't believe it! One more year down and I'm so ready for a break. If I had to take one more test, if I had to eat one more whatever-that-is from the school cafeteria, I know I'd scream real loud. Thank you for getting me through another year. Thank you for times to stay up late and for times to sleep in! Thank you for a chance to just take it easy for a while, and to get some much-needed rest. Thank you for summer vacation!
